

Facilitating **OZ Cash Loans'** underwriting & disbursal of **Personal Loans** with **Salesforce**

Key Objectives:

- Streamline loan application processing times to drive higher loan volumes
- Enable rapid Lead Sharing and Lead Selling with multiple lending institutions.
- Strengthen credit risk assessments and identity verifications using financial data from 3rd party services.

Oz Cash Loans, an Australian company offers a great range of Consumer MAAC Loans and also puts customers in touch with other direct lenders extending Business Loans to small business loans.

Success Story – Consumer Loans

Solutions Highlights:

- > Deconstructed lengthy business processes into smaller, more digestible segments, enhancing manageability and efficiency
- > Instituted a series of built-in credit checks and validations which considered factors like the credit score, employment status, DTI ratio, and many others using DNB.
- > Seamlessly integrated Salesforce with GreenID, enabling real-time identity verification using reputable government and independent data sources through the exchange of fundamental information.
- > Seamless Partner Interaction using web services and backlink propagation.

Value Delivered:

- > Incorporation of Salesforce Lightning Web Components (LWC) led to heightened productivity and effortless navigation through intricate data.
- > Led to a seamless CX with consent-driven credit assessment and identity verification.
- > Provided Oz Cash Loans with a refined and efficient means of lead distribution process and optimizing their partnerships with lending entities.
